

**SCIENTIFIC ANNUAL JOURNEY TO
UNITED STATES OF AMERICA
OUTSTANDING RESEARCH CENTERS**

Every year, **since seventeen years ago**, a Group of Argentine and other Latin American Senior and Junior Researchers takes part of a

Scientific Journey to high ranked research and academic centers in USA. Sponsored by the Pan American Health Organization-PAHO, AMA, Barceló Foundation, ILSI, main universities and other top institutions, it facilitates these delegations to share experiences with selected centers, and carry out joint projects focused on interaction Research-Academia.

Includes Visits at top Centers in USA: UM, PAHO Headquarters, NIH, IADB, Georgetown and Harvard Universities, etc.
